

## Business idea competition

The competitions on the national level are finished. In March, the finalists will meet in Milan to compete for a €500 scholarship.

Congratulations to those who got to this level, and may the most creative entrepreneur win!

## Entrepreneurship for a new era

If you are an aspiring entrepreneur, you might be interested in our online course. It focuses on building entrepreneurial skills, and raising awareness of real-world social and economic challenges. Interactive modules and supportive resources help participants take initiative, innovate, and achieve sustainable goals aligned with the social economy and inclusive job creation. You can access the course and learn more by opening [this link](#).

## Conference in Milan

The partnership will meet in Milan on March 24<sup>th</sup> 2026 to listen to the presentations prepared by the finalists of the business idea competition. The event will serve as a ground for networking and exchange of ideas. The details of the conference hosted by EMiT will be available soon.
